

Cartographic Perspectives

The Journal of **nacis**

Number 102, 2023

ABOUT THE COVER

This issue features a detail from a wall map of Carriacou, Grenada, by Alison DeGraff Ollivierre. This map is part of a series of wall maps, which together cover the terrain and settlements of the transboundary Grenadines. You can see more of Aly's work at www.tombolomapsdesign.com.
